

CHANGE BANK ACCOUNT NUMBER

For change of your bank account number (IBAN), we need the following from you:

1. A bank specification

This can be an account statement or an official document from your bank that clearly shows your name and IBAN. Make sure that any other financial transactions or balance information are not visible. Only your name and IBAN need to remain visible.

2. A copy of a valid ID

Please make sure that your passport photo, your social security number (BSN) and the document number are made unrecognizable. You can also use the KopieID app of the Dutch Ministry of the Homeland. With this app you can cover or cross out identity data. Moreover, you can put the recipient, goal and date in the copy. This means that you do not provide more personal data than is strictly necessary.

You can return these attachments to us together with this form.

File number:	
Name:	
Date of birth:	
IBAN:	
BIC/SWIFT code (in case of a bank outside of The Netherlands)	

Date

Signature

Please send this form and attachments to pensioenfonds@heineken.nl or to:
