

CHANGE BANK ACCOUNT NUMBER

In order able to change your bank account number (IBAN), we need the following from you:

1. A bank specification

This can be an account statement or an official document from your bank that clearly shows your name and IBAN. Make sure that any other financial transactions or balance information are not visible. Only your name and IBAN need to remain visible.

2. A copy of a valid ID

We ask you to make your passport photo, your BSN number and the document number unrecognizable. You can also use the KopieID app of the Ministry of the Interior and Kingdom Relations. With the KopieID app you can cover or cross out identity data. With the app, you can also put the recipient, goal and date in the copy. This means that you do not provide more personal data than is strictly necessary.

You can return these attachments to us together with this form.

File number:	
Name:	
Date of birth:	
IBAN:	
BIC/SWIFT code (in case of a bank outside of The Netherlands)	

Date

Signature

Please send this form and attachments to pensioenfonds@heineken.nl or to:
