HEINEKEN PENSIONFUND NEWSMAIL

Newsmail HPF, December 2021

MijnOverheid.nl Message Box

HPF communicates several important documents through the Message Box of MijnOverheid.nl such as your pension statement. It is therefore very important that when generating an account with MijnOverheid.nl or logging in to the Message Box of MijnOverheid.nl you agree to include HPF among the authorities and agencies that contact you through the Message Box. Go to the [Berichtenbox van MijnOverheid.nl](#).

113,3%

Funding ratio

The current funding ratio at the end of November 2021 was 113.3% (at the end of 2020: 99,2%).

The current funding ratio denotes the ratio between the HPF's commitments and assets at a given time.

The policy funding ratio at the end of November 2021 was 108.6% (at the end of 2020: 94,9%).

The policy funding ratio is the average of the current funding ratios over the past 12 months. The level of the policy funding ratio at the end of September determines whether the HPF can increase the pensions (grant a supplement).

No indexation per 1 January 2022

The policy funding ratio of 30 September is the basis for the decision to increase pensions. The policy funding ratio as of September 30, 2021 was 105.5%.

According to the applicable rules, this is too low to increase the pensions. In view of this policy funding ratio, the board had to decide not to increase the pensions as of 1 January 2022.

The rules may change, [read more about this](#).

Premiums 2022

The premiums for the pension schemes vary from year to year. The HPF board has determined the premiums for the year 2022.

Click [here](#) to view the new premiums.

Contribution Health Insurance Act

The statutory contribution from the Health Insurance Act (Zvw) will decrease to 5.5% in 2022 (2021: 5.7%). The maximum amount over which you pay the income-related Zvw contribution has increased to € 59,706 (2021: € 58,311).

We deduct the income-related Zvw contribution from the gross pension amounts. As a result, you will have slightly more pension left in 2022.

Blogs

The HPF posts a blog on the website every month
